Process map for building successful--and sustainable--green schoolyards programs

**GETTING STARTED**
- Make the case
- Secure funding
- Identify policies
- Build partnerships

**MOVING FORWARD**
- Design the schoolyard
- Activate for learning
- Use in out-of-school time

**SUSTAINING IMPACT**
- Manage the space
- Evaluate the impact

Visit the Green Schoolyards Resource Hub for a step-by-step guide to successful green schoolyards programs.
