Children & Nature Network

NATURE EVERYWHERE CONFERENCE

May 11 - 14, 2027 | Jacksonville, FL

Share your knowledge and promote your work as an exhibitor in the **Nature Everywhere Exhibit Hall**, a highlight of the 2027 Children & Nature Network Conference. Connect with hundreds of advocates and decision makers committed to connecting children, families and communities to the benefits of nature.

As an exhibitor, you will:

- Reach a multidisciplinary audience of practitioners, leaders and decision makers at the ***world's largest gathering of the children and nature movement!***
- Engage with conference attendees eager to learn and connect with mission-aligned organizations and companies
- Showcase your products and best practices to leaders seeking nature-based solutions for some of today's biggest challenges

Who you'll reach:

- Policy makers and public officials
- Health and wellness professionals
- Educators and education leaders
- Green schoolyard advocates
- Outdoor and nature-based learning leaders
- Grassroots leaders and community organizers
- Outdoor education and recreation providers
- Urban planners and built-environment experts
- Young adult leaders and youth organizations
- Family organizers and nature club leaders
- Researchers
- Funders
